ATCC-ZS

18 February 2015

MEMORANDUM FOR: All Units Reporting Directly to Headquarters Director and Chiefs, Staff Officers / Departments, Commanding General Cadet Command, Fort Knox, KY 40121-5123

SUBJECT: Non-waiverable medical conditions. Expires 01 April 2016.

1. Medical actions are evaluated on a case by case basis requiring adequate documentation of the medical condition to include current and past medical documents. Many conditions will require additional paperwork to process. Regardless of the Cadet or applicant's ability / qualifications some medical conditions are non-waiverable.

2. The following conditions are non-waiverable:

a. Any behavior health condition that is recurrent, chronic or required more than 12 months of treatment/therapy.

b. Obsessive Compulsive Disorder (OCD), schizophrenia, Bipolar.

c. Suicide attempt and/or Suicidal gesture.

d. Self-mutilation (deliberate self-harm, for example cutting, slashing, branding or burning).

e. Academic disorder that was eligible for accommodations in last 12 months.

f. Eating disorder. i.e. anorexia nervosa, bulimia that lasted longer than 3 months and occurred after their 13 birthday.

g. Any sleep walking within last 12 months.

h. Seizure disorder requiring medications.

i. Headaches that require maintenance or daily medication to prevent recurrence.

j. Unable to see vivid red and vivid green.

ATCC-ZS
